VOTE

On Tuesday, May 21, 2019, Canandaigua City School District voters will be asked to consider an increase in community-based funding for Wood Library. The increase is $32,268 over the base amount of $668,000 which was approved by voters in 2018. The change will increase the library property tax rate by approximately 1.3 cents per thousand of assessed property valuation, adding $1.99 to the tax bill of a property assessed at $150,000. This is projected to be within the library’s state-mandated tax cap.

The Board of Trustees continues to carefully monitor library expenses and revenue. The 2020 projected budget is $985,000, reflecting mandated minimum wage increases and cost-of-living adjustments to salaries and benefits. In addition, the 2020 budget incorporates strategic plan priorities such as: improved customer service, outreach to homebound persons, and technology updates. Library resources and fundraising will increase proportionately to $284,732, or 29% of the total projected budget, to fully fund operations.

The proposition for Wood Library will appear on the same ballot as the Canandaigua City School District budget. Proposition #2 will ask voters to authorize the School District to levy and collect an annual tax for Wood Library in the amount of $700,268. Putting this proposal before the voters is the only way Wood Library can ask for an increase in community-based funding.

An information session will be offered at Wood Library Tuesday, May 14, at 7:00 PM.

Additional information about the library proposition can be found at woodlibrary.org/vote.

Art Exhibit: *Enigma* by David Hewson

April 28—June 7
Opening reception Thursday, May 9 | 6:00—9:00 PM

David was a native of Wayne County before enrolling at Rochester Institute of Technology in the Fine and Applied Art program. He received his Bachelor’s Degree and then continued and graduated with a Masters of Fine Arts degree and teacher certification.

It was David’s great pleasure to teach art at Marcus Whitman Central School for 43 years.

Now David is exploring the potential of fabric and paint to make an artistic statement. Come explore with him at Wood Library as well as at his studio at the Company Store in Cheshire, NY.
