WELCOME BACK!
We missed you!

A Message from Library Director Jenny Goodemote

Welcome back! We are very excited to reopen Wood Library starting on July 13. You will notice significant changes to the building as well as new policies and procedures that have been put into place to protect the health and safety of patrons and staff. If you are feeling unwell or if any member of your household is sick or in isolation, please do not visit the library or borrow library materials. A limited number of patrons will be permitted inside the building. Consider using curbside pickup if you need to pick up holds. Masks will be required.

We look forward to serving you!

Curbside Pickup Still Available!
